

## **Luxell Wins New 3ATI Order and Expands Demand in Simulator Market**

TORONTO Oct 19 2011, Luxell Technologies Inc. is pleased to announce that Multi Pilot Simulations BV, of the Netherlands ("MPS"), has awarded Luxell new contracts for the supply of 3ATI and 8 x 8 cockpit display kits for use in their commercial aircraft simulators.

This latest order for Luxell builds on the Company's plan to expand its international sales of 3ATI and larger displays for commercial and military simulator applications.

"We are delighted to have MPS as a new customer and see this as a confirmation of our ability to extend our display products into the simulator market. This is a relatively new application for our display products and is based on our developed expertise in the military and defense markets," said Jean-Louis Larmor, Luxell's CEO.
